1. ____ I understand that there are risks associated with the activities and travel to, from, and while in Haiti, including possible serious adverse health effects, injury, or death, and the risk of being a victim of criminal and/or political violence. Knowing these risks, I freely and voluntarily agree to assume all of the risks associated with my participation in the activities.

I understand that I may experience conditions that I am not used to and will notify the team leader if there are concerns regarding my health and fitness. I understand that it is my responsibility to visit my physician to discuss my health status, ability to participate in the activities and to obtain the appropriate vaccines and preventative medications as recommended by the Center for Disease Control (CDC). I agree to abide by any request made by HOM to cease being a part of the mission due to concerns about my health and well-being or impact on team members.
3. ____ I understand that HOM is not financially responsible for any of expenses associated with the activities; I accept that if for any reason I cannot participate in the activities, HOM will not refund any moneys I previously paid in connection therewith. I also understand additional costs incurred due to things beyond HOM's control will be charged to me.

5. ____ I agree not to undertake tasks or projects outside of my field of expertise. I agree not to provide medications, medical advice, or medical care outside of my scope of practice or perform any experimental treatments or procedures on the Haitian people.
6. ____ I understand that I must be respectful and protect the inherent dignity and privacy of the Haitian people under all circumstances.
7. ____ I acknowledge that HOM is an evangelical Christian organization and strives to reflect God's grace in the world. I agree to be culturally sensitive and act in a manner that reflects the norms expected by the Christian community regardless of my personal beliefs.
8. ____ I agree (on my behalf, and on behalf of my successors, representatives, executors, heirs, and assigns) to release, discharge, and covenant not to sue HOM and related and affiliated companies, and the officers, directors, employees, agents, representatives, successors, and assigns of each of the foregoing entities (collectively, its "affiliates") from any liability, causes of action, claims or damages for personal injury, property damage and wrongful death, whether foreseeable or not, arising from or attributable to my participation in the activities, whether or not such liability arises from action or inaction of HOM and its affiliates in connection with the activities or the locations in which they take place. This Acknowledgement of Risk Waiver and Release (this "Release") applies to any and all causes of actions, claims or demands that I may have against HOM or its affiliates as a consequence of any type of damage (whether personal or property), loss, death, or injury regardless of whether the cause of action, claim, or demand is in negligence, tort, contract, or other legal basis (other than intentional conduct). I further agree to indemnify, hold harmless, and defend HOM and its affiliates from any and all liability, causes of action, claims, or damages of any third party in connection with my participation in the activities.
