Independent Accountants' Review Report

The Board of Directors
Haiti Outreach Ministries:

We have reviewed the accompanying statements of cash receipts and disbursements of Haiti Outreach Ministries (a nonprofit organization) (the "Ministry") for the years ended December 31, 2016 and 2015, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the Ministry's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the statements of cash receipts and disbursements as a whole. Accordingly, we do not express such an opinion.

Managements' Responsibility for the Statements of Cash Receipts and Disbursements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountants' Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the cash basis of accounting.

Basis of Accounting

We draw attention to note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

(1) Organization and Summary of Significant Accounting Policies

(a) Organization

Haiti Outreach Ministries (the “Ministry”), a nonprofit organization, is a faith-based group established in 1989 to advance and promote the Christian faith through the conduct of programs which provide assistance, including but not limited to food, clothing, medical assistance, and educational programs to impoverished and disadvantaged persons in Haiti. These programs are conducted through a separate Haitian entity, Mission Communautaire de l’Eglise Chretienne des Cites.

The Ministry’s primary sources of revenue and support are contributions and sponsorships.

The Ministry relies on labor largely being provided by volunteers, and during 2016 and 2015, the Ministry employed one individual.

(b) Basis of Accounting

The accompanying financial statements have been prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Under that basis, the only asset recognized is cash, and no liabilities are recognized. All transactions are recognized as either cash receipts or disbursements, and noncash transactions are not recognized in the financial statements. The cash basis differs from accounting principles generally accepted in the United States of America primarily because the effects of outstanding receivables and payables at the date of the financial statements are not included in the financial statements.

(c) Cash

Included in cash are checking and interest-bearing savings accounts.

(d) Contributions

The Ministry records contributions as revenue in the period received. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

(e) Income Taxes

The Ministry is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state statutes, and accordingly, no income taxes have been provided for the Ministry in the accompanying financial statements.

(2) Cash

Cash consists of the following as of December 31:

	<u>2016</u>	<u>2015</u>
Unrestricted - general fund	\$ 170,326	170,943
Temporarily restricted:		
Sponsorship	393,802	377,113
Medical fund	202,550	67,421
Building and equipment	43,418	68,889
Library and computer	4,082	4,812
Development	-	39,768
Emergency relief	-	19,214
	<u>643,852</u>	<u>577,217</u>
	\$ <u>814,178</u>	<u>748,160</u>

In the normal course of business, the Ministry may maintain cash in financial institutions in excess of the insured limit of \$250,000. Management of the Ministry believes no significant risk of loss exists with respect to these balances. As of December 31, 2016 and 2015, cash in excess of insured limits totaled \$564,178 and \$498,160, respectively.

(3) Subsequent Events

The date to which events occurring after December 31, 2016, the date of the most recent statements of cash receipts and disbursements, have been evaluated for possible adjustment to the financial statements or disclosure is December 22, 2017, the date the statements of cash receipts and disbursements were available to be issued.
